

## Geography Curriculum Key Vocabulary LSK2

Year 3		
settlement	North	mountain
landmarks	East	landforms
community	South	volcano
landscape	West	earthquake
relief map	North East	port
political map	South West	harbour
valley	South East	factory
vegetation	North West	office
fieldwork	compass	industry
sketch	weather	clay
longitude	equator	lake
latitude	Tropic of Cancer	transport [carry]
Time zones- Prime/Greenwich	Tropic of Capricorn	tropical
weathering	polar	loam
erosion [within weathering]		cliff
climate zone		ocean
environment		soil
diagram		peat
Year 4		
distribution	valley	contour
import	greenhouse	height
intensive farming	allotment	hydroponics
arable farming	distance	polytunnel
market gardening	scale	warm
mixed farming	grid reference	humid
organic farming	satellite	coastal
productivity	settlement patterns	evaporation
natural resources	inland	precipitation
man-made materials	urban/ rural	condensation
trade	North America	hemisphere
export	South America	tropical
native/ indigenous	Capital cities	polar

sustainable		weathering/erosion
economic		Artic Circle
settlements		Antarctic Circle
Isolated Place		natural disaster
Hamlet		ox-bow lake
Village		spring [water]
Small town/Large town		
City		
Metropolis		
Refugee camps
