

“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11

To strive for respect, enjoyment and excellence for all!

19.06.24

Dear Parents and Carers,

I hope that all of our Muslim families enjoyed fantastic Eid celebrations over the weekend.

In Collective Worship we are highlighting Refugee Week, including an assembly led by representatives from EMTAS (Salford Ethnic Minority and Traveller Achievement Service). Friday is Own Clothes Day (no football shirts please) for £1 which will be donated to Save The Children.

Sharing Assembly

Unfortunately, Y1's sharing Assembly this week has been cancelled.

Sports Day

Weather permitting, Sports Day is scheduled for Tuesday 25th June, to be held on the field across the road from school. All are invited.

9.15-10.15 EYFS (Nursery and Reception)

10.15-11.45 Year 1 and Year 2

1.00-3.00 Years 3-6

Reminders

- Please could children wear a top/t-shirt that is the colour of their house.
- If the weather is sunny, please could children arrive at school wearing sun cream and have a cap or hat. Jackets are also useful to place on the grass and sit on.

'Pupils, including those with special educational needs and/or disabilities (SEND), thrive at St Andrew's School. They are happy at school. Typically, pupils behave well and they develop positive attitudes to learning. Pupils strive each day to meet leaders' high expectations of their learning and behaviour.' OFSTED May 2023

- Children will need their water bottles.
- For safeguarding reasons, photos and videos of the event are not permitted. There will be an opportunity for parents to take individual photos of their children.
- Parents and carers are asked to stay behind the designated line. Please speak to staff who will send children across to you, should you need them. Inappropriate behaviour from adults will not be tolerated.
- Staff will check that children who require inhalers have them in school but we are still awaiting one or two replacements. Please could parents ensure that inhalers are in school.

Shakespeare Festival

Y6 are performing part of 'King Lear' at The Lowry Theatre 2.30pm and 6.30pm with a small number of other schools on Wednesday 26th June. Tickets are available from the theatre or can be ordered at our office (before Friday) at £5.

Wrap Around Care

As the office only received 6 responses requesting wrap around care for September, the plans will not be going forward as it is not financially viable. Kiddiewinkles (Eccles) offers a similar service and often collect children at the end of the day from St Andrews.

Collecting Children For Appointments

If your child has a medical appointment during the school day, please could I request that parents allow enough time to collect children from school. Our office staff always try and act promptly but if children are doing PE, eating lunch etc it can take a little time to bring children to the office with their bags and coats. In addition, our office staff may already be dealing with parents, visitors or on the phone. Please could you allow time so that staff can get you to your appointments promptly. Thank you.

3.20pm

From time to time, children need to come back into school at the end of the school day as they have forgotten their book bag, lunch box etc. Children are welcome to return into the building. However, as clubs are running and to comply with fire safety regulations, please could parents

'Pupils, including those with special educational needs and/or disabilities (SEND), thrive at St Andrew's School. They are happy at school. Typically, pupils behave well and they develop positive attitudes to learning. Pupils strive each day to meet leaders' high expectations of their learning and behaviour.' OFSTED May 2023

wishing to enter the building come via the school office. Please do not enter the building through the doors on the yards. Thank you.

Thank you

Please could I say a huge thank you to car drivers for driving and parking more safely outside of our school. There are still one or two drivers who park across the crossing or stop in the middle of the road to let children out (into oncoming traffic in some cases). Therefore, some of our Y6 children have written to Mr Hewson at St Marys to see if we can work together to create a 'Traffic Team' or 'Street Squad' to help improve the safety of our children around school.

God bless,
Mrs Bladen-Kay
Head Teacher
