# St Andrew

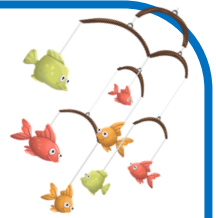

**Monday 30 November is St Andrew's day. I wonder if you know which country he is patron saint of?**

### Bible Reading

As Jesus walked along the shore of Lake Galilee, he saw two fishermen, Simon and his brother Andrew, catching fish with a net. Jesus said to them, "Come with me, and I will teach you to catch people." At once they left their nets and went with him.

He went a little farther on and saw two other brothers, James and John, the sons of Zebedee. They were in their boat getting their nets ready. As soon as Jesus saw them, he called them; they left their father Zebedee in the boat with the hired men and went with Jesus.

You can find this in the Bible, in the book of Mark, chapter 1, verse 16-20.

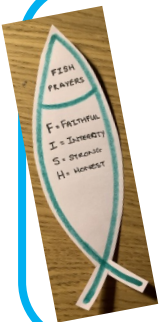

### Prayer

Dear God,  
thank you that we are special, we are loved by you. Thank you for the words of Jesus that can bring such comfort to our lives, that can bring peace to our lives. Amen.

### Wondering

- I wonder if you can think of a special event in your life
- I wonder if the words of Jesus mean something special to you
- I wonder if you can think of ways to bring comfort and peace to others

### Creative Prayer 1 ≈ Fish acrostic

Learn to pray the Fish Way - Draw and cut out a Fish shape. Write the word FISH as an acrostic. Then thinking of St Andrew or Jesus as people, write a word next to each letter for example : F=Faithful I=Integrity S=Strong H=Honest. Then as you pray focus on each letter and think about how you could demonstrate these things everyday in your own life.

## Creative Prayer 2 ≈ Footstep Prayer Trail

This is something to do with other people in the household. Cut a number of footstep shapes out of some paper 12 is the same number of disciples . Write something to pray about on each one like asking God to help you to look after the world, the name of someone you want to pray with — you could each do a few of them. Find a space inside or out doors and lay them out. Take it in turns to go along the trail you have made, stopping at each footstep and praying for the thing that is on there.

## Activity 2 ≈ Go Fish.

You will need a pack of playing cards (a standard pack is 52 without the jokers) or make your own with any kind of picture you like! The aim of the game is to make as many sets of 4 as you can—for example, 4 threes or 4 queens. Each player is dealt 5 cards and the rest of the deck goes face down in the middle. The youngest begins and chooses another player to ask if they have , for example, any threes? If the player does, they must hand them over and the first player can chose to ask the same or another player for another number. If when asked the player has none, they say 'go fish' and the player asking must pick up a card. Then the game continues with the next player.

is

When any player has four cards of one face value, it forms a set and the cards must be placed face up in front of that player. When all the cards have been laid down in sets,
