2025-2026 KS2 SAT results

We are extremely proud of all of our Year 6 pupils. Throughout their time at St Andrew's, they have developed academically, socially and emotionally, and their SATs results reflect only part of this journey. The results below show how our Year 6 performed in the Key Stage 2 assessments alongside teacher assessments for writing. We are very proud of each and every one as they all worked hard and made progress in lots of different ways. These results provide one measure of attainment and should be considered alongside the many other achievements, talents and personal qualities your child has demonstrated throughout their time at school.

Performance Measure	School	National
Expected standard in Reading, Writing and Mathematics Combined	33 (38)	63
Higher Standard in Reading, Writing and Mathematics Combined	3 (94)	9
Reading expected standard	43 (50)	69
Reading higher standard	10 (12)	9
Grammar, Punctuation, Spelling expected standard	53 (58)	74
Grammar, Punctuation, Spelling higher standard	20 (23)	30
Writing expected standard	63 (70)	70
Writing higher standard	3 (4)	13
Mathematics expected standard	43 (50)	75
Mathematics higher standard	13 (15)	27

Please note that the percentage shown in brackets reflects the school's performance data, which does not include four pupils who joined the school after arriving in the UK after 2024 and were new to learning English. This means the published percentage is slightly higher than if all pupils in the cohort were included.

'Pupils, including those with special educational needs and/or disabilities (SEND), thrive at St Andrew's School. They are happy at school. Typically, pupils behave well and they develop positive attitudes to learning. Pupils strive each day to meet leaders' high expectations of their learning and behaviour.' OFSTED May 2023
