Part A: Pupil premium strategy plan

Statement of intent (please see SDP)

1. Progress and Attainment
Key Priority 1 - Ensure at least good progress and attainment in all curriculum areas using effective adaptive teaching strategies.
2. Disadvantaged children - Vulnerable Groups
Key Priority 1 - All identified pupils make rapid progress as per challenging targets
3. Curriculum Impact
Key Priority 2 - Continue to improve reading provision, focusing on the small number of identified children who are not catching up as quickly as they should.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<ul style="list-style-type: none">• (IDACI) 0.24 – lowest 20% deprived• ACORN – 86% of pupils fall into categories of Urban Adversity or Financially Stretched• 33% of all households in Salford (including Eccles) live in the lowest 10% of the most deprived in Europe. <p>This creates an achievement challenge for our pupils e.g. lack of cultural capital/additional experiences.</p> <p>EEF finds “significantly lower achievement”, with a “large and concerning gap” for disadvantaged pupils Jan 2021</p>
2	School readiness – independence, self-care, social skills, communication and language, resilience
3	Covid Lockdowns A significant increase in identified vulnerability – social work involvement, financial/housing issues, DV, mental health
4	Low levels of parental engagement
5	49% EAL (9 children at early stages of English)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Challenge 1 Improved and extended Cultural Capital offer	Strategic, broad and balanced plan for cultural capital opportunities Each year group has a number of experiences that support and enhance the curriculum, building on 2022-23 Cultural Capital offer
Challenge 2 Rapid progress and improved attainment for our disadvantaged and vulnerable pupils	All pupils make rapid progress and at least 85% meet age related expectations (see SDP)
Challenge 3 2023 new starters make an effective start to their education in our Nursery and Reception	All new starters make an effective start in Nursery and EYFS 85% meet age related targets by the end of the academic year (see SDP 2023 GLD 70%)
Challenge 4 Effective parental engagement that impacts positively on outcomes	Attendance and punctuality is in line with National figures. Increasing numbers of parents attend all parent support sessions offered by subject leaders. A higher % engagement with Parent View. (see SDP)
Challenge 5 Good acquisition of language and vocabulary	85% of all disadvantaged children meet age related targets (see SDP) by the end of the academic year

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 28250 (+ Forest School grant, Speech Bubbles TBC)

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Embed and enhance Read, Write, In phonics programme, focusing on applying spelling and grammar to independent writing</p>	<p>Validated systematic synthetic phonics programme</p> <p><i>'By ensuring high-quality phonics teaching the government wants to improve literacy levels to:</i></p> <p><i>give all children a solid base upon which to build as they progress through school</i></p> <p><i>help children to develop the habit of reading widely and often, for both pleasure and information'</i></p> <p>DFE July 2021</p> <p>HLTAs to deliver an hour session per day</p>	<p>2, 3, 4, 5</p>
<p>Focus on speech, language and communication interventions – WELCOMM and Forest School</p>	<p>WELCOMM</p> <p>The WellComm toolkits were developed by Speech and Language Therapists at Sandwell and West Birmingham Hospitals NHS Trust with the aim of providing easy to use support for everyone involved with children.</p> <p>Requiring no specialist expertise, they quickly identify areas of concern in language, communication, and interaction development in order to ensure early targeted intervention.</p> <p>Extend Forest School scheme to EYFS and Y1</p>	<p>2, 3, 4, 5</p>

- **Confidence:** children had the freedom, time and space to learn and demonstrate independence
- **Social skills:** children gained increased awareness of the consequences of their actions on peers through team activities such as sharing tools and participating in play
- **Communication:** language development was prompted by the children's sensory experiences
- **Motivation:** the woodland tended to fascinate the children and they developed a keenness to participate and the ability to concentrate over longer periods of time
- **Physical skills:** these improvements were characterised by the development of physical stamina and gross and fine motor skills
- **Knowledge and understanding:** the children developed an interest in the natural surroundings and respect for the environment
