Salford Alliance  
of Learning Schools

We don't just teach...  
**We INSPIRE!**

The Salford Alliance  
of Learning Schools  
is different

We believe that we offer a different  
training experience to any other SCITT  
(School Centred Initial Teacher Training).

Our schools and the needs of  
our pupils are diverse, but we  
are united by a common theme:

A belief that we can make a difference.

**If you believe that you  
can make a difference  
then join us to be the change.**
