

Year One Homework : 14th November

Each week there will be homework to complete. This homework is spellings and a Maths task which links to our learning. If you would like to do more learning at home then please continue to read for 10mins a day, or take a look into one of our subject areas which interest you. Look at our newsletter for more ideas.

Learning in school : In Year One this week we have started reading our new story : Old Bear. This is a story all about a group of toys whom are trying to save their friend from being placed in the attic. We have thought about how the toys might create a plan or go on adventure to find Old Bear. What are the stories of toys in your house? Does anyone have a very old Bear or toy? Can you write about it and tell me more?

Spellings to practise at home : Our spellings this week are singular to plural words. We do this by adding s or es (we add es to words that end in x, ch, sh, ss, s and z)

plant

churches

plants

brush

fox

brushes

foxes

glass

church

glasses

Maths homework : This can be found on Mathletics on this link <https://login.mathletics.com/> Your login is in your reading record file. Our focus this week in Maths has been into addition fact families to a given number e.g. to make 9 we can 4 + 5, 6 + 3, 7 + 2, 8 + 1 and 9 + 0. There are many different activities to try so that you can practise and secure your learning this week – please try two of them at home.

Happy learning! Mrs Bray ☺
